

Square Footage Calculations

- *Total Campus: 37,062,660 sqft
- Pervious Areas: 19,825,231 sqft
- Impervious Areas: 17,237,429 sqft
- Total Affiliated Property: 975,027 sqft
- Pervious Areas: 893,235 sqft
- Impervious Areas: 81,793 sqft

*Note: square footage calculations based off current campus area information and does not include future planned construction or Pervious Concrete Spaces. Total Campus includes Vaughan Warehouses and 845 Angliana Ave but does not include the areas shown as Affiliated Property.

	Green Roof		Pervious Surface		UK Affiliated Property**
	Permeable Pavement		Pervious Concrete*		Buildings Under Construction
	Water Harvesting System		Impervious Surface		Construction Zones

*Pervious Concrete may include areas such as pavers, lattice concrete, green roofs, or other hardscape features.
 **Affiliated Property is defined by Buildings or Areas that reside on UK Property but are not UK Owned or are not maintained by UK.
